# STOP DOING LIST

The image displays a collection of eight rectangular boxes, each with a piece of grey tape at the top, suggesting they are notes or reminders. The boxes are arranged in a collage-like fashion on a light-colored marble background. The boxes are of varying sizes and are either white or light red. The arrangement is as follows:

- Top row: Three boxes. The left and right boxes are white, while the middle box is light red.
- Middle row: Three boxes. The left and right boxes are light red, while the middle box is white.
- Bottom row: Two boxes. The left box is light red, and the right box is white.
